## **HORSEMANSHIP CAMPS**

Send your child to savor summer in Vermont at our friendly, individualized Horsemanship Camp. We emphasize not just riding, but building a holistic relationship with each horse. Our camps also encourage personal growth for each camper. Learning new skills and connecting with people and animals build self-esteem, and many of our student's horsemanship becomes a driving interest for many years. We limit the number of campers to preserve the individualized approach.

Each week is packed with fun activities both on and off the horses. At Kimberly Farms, campers ride every day. Camp includes: riding lessons, horse care, nature walks. The best part of the experience is sharing laughs and making lifelong friends. We offer day horsemanship camp to kids 3 years of age and up and every level of riding ability, including the first-time beginner.
